## Consumables

For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as “compatible”, and if it does work, your printer’s performance and print quality may be degraded.

Description	Life (pages)	Order Numbers
Toners cartridge*	3,000	01239901
	5,500	01240001

\* All toners: A4 pages yield compliant with ISO/IEC 19752 coverage. Printer shipped with 2,000 pages yield at ISO/IEC 19752 coverage.

## Professional print, copy and scan from your desktop

The MB260 provides SOHO's with a smart, compact, 3 in 1 device which will deliver professional A4 documents in an instant. This multifunctional product will print and copy in mono at 20 pages per minute, helping to improve productivity. And with the added benefit of colour and mono scanning important documents can be stored electronically for greater organisation and safe keeping.

The MB260 combines printing, copying and scanning with an added value software package which enhances the printer's performance. Add to this OKI Printing Solution's unique 3 year warranty and competitive running costs, the MB260 offers both peace of mind and real value for money.
